

THE *UK* EDIT

Marlow (SL7) Monday 6 July

We're returning to our Marlow location this July for the second time. It's a striking modern architect-designed house, with a Scandi feel, it's living area providing angles for a wide variety of at-home casual shots but also office-style settings. Outdoors is a large garden with giant redwood and pine trees, a natural pond, deck and an outdoor pool.

Just a few of the shots from our last shoot
